

Episcopal Resource Center

As a joint project with both dioceses, we offered 2 Open Houses during the year. Topics on display were curriculum, vacation bible school, Lent/Easter and intergenerational activities. On August 23, we provided a display of curriculum and program material at Trinity Episcopal Church, Menlo Park sponsored by the Peninsula Deanery.

We are continually adding new features to the online catalog (<http://stec.booksys.net/opac/cl/#menuHome>). On the search bar you will find “lists” (bibliographies) and important “links” helpful to your ministry. The catalog provides book reviews, summaries and URL links when available.

Many patrons have taken advantage of having their own personal account for the catalog. With this feature you are able to renew material, request something to be mailed to you, or reserve an item.

There are 376 parishes/members using our collection. The Diocese of California, the Diocese of El Camino Real, and St. Thomas Episcopal Church provide financial support to the Resource Center.

We would love to see you in the Resource Center. Be sure to check the online catalog (<http://stec.booksys.net/opac/cl/#menuHome>).

We are staffed Tuesday and Thursday mornings. Call if this time is not convenient for you.

We are always happy to mail to you – free. We ask you to pay for return shipping. Let us know what you would like.

Please let us know if you would like to be added to our Resource Center email list. For further info, please contact:
