

Earth DAY

Celebration of Abundance at Clare's Fare Garden

In just three years, Clare's Fare Garden has grown and donated more than 5,000 pounds of food to nurture the sick and feed the hungry in the Tri-Valley. Join us as we celebrate Earth Day by blessing the garden, the hands that tend it, and the volunteers from Culinary Angels and La Familia who help us share the bounty of God's Creation. All are invited to share in a light luncheon, tour the garden, walk the labyrinth, and celebrate the abundance of this earth, our island home.
